

BVG TRIPS

We are excited to announce our BVG tripping program for the summer of 2012. Keeping in line with Bayview Glen's 'Whole Child' philosophy, these exciting trips provide extraordinary growth and learning opportunities not available in the traditional day camp setting. Included in this program will be the long running Camp Timberlane and Outdoor Adventure programs, as well as a continuation of our successful rafting trip.

OUTDOOR ADVENTURE TRIP

FOR CAMPER'S BORN IN 1998-2005

Bayview Glen Day Camp is looking forward once again to offer our Senior Campers the opportunity to sleep under the stars. This 1 or 2 day camping experience will connect campers with Mother Nature and offer such activities as fire building and hiking!

CAMP TIMBERLANE CHEETAH OR OLDER

FOR CAMPER'S BORN IN 1998 TO 2004

Partnering up with the exquisite Camp Timberlane in Haliburton, we are excited once again to offer a taste of the overnight camp experience to our older campers. Each 3 night/4 day trip includes a wide variety of activities such as Waterskiing, Sailing and Ropes!

RAFTING

FOR SITS AND PRE-SITS BORN 1998-1999

Bayview Glen Day Camp will grace the majestic Ottawa River with our presence once again. This once in a lifetime opportunity not only offers thrilling waves but valuable leadership experience outside the traditional day camp setting.
